Subject: SHURflo LLC -- Request for Extension of Time to Respond to CERCLA Section 104(e) Request for the Lusher Street Site

Ms. Co:

I tried to call you but your voice mail is not accepting messages. Thus, I called Thomas Krueger instead to request a brief extension of time for SHURflo LLC to respond to the above-referenced Section 104(e) Information Request ("Request").

Simply stated, because the Request dates back 20 years or so, my client is still in the process of reviewing its files in order to determine what, if any, information it may have regarding this matter. My client hopes to complete its file review within the next week or so. Once it completes its review, we will be able to respond to the Request.

As a result, I would respectfully request an extension of time until March 16, 2012 for SHURflo LLC to respond to the Request. Notably, I have discussed this matter with Mr. Krueger, and he does not object to the requested extension.

Your anticipated cooperation with respect to this request is greatly appreciated.

Thanks.

Shane
